Professional Summary

Multidisciplinary visual artist and communications specialist with 5+ years of experience in graphic design, photography, and multimedia production. I have developed strong expertise in building visual narratives, leading creative teams, and working in bilingual (Arabic/English) environments.

Work Experience

Senior Communication Officer | GTC, Qatar

March 2023 – October 2023

Context: A tech and logistics company expanding operations in the Gulf region.

Tasks:

- Led the communications department, producing visuals, written content, and managing internal/external messaging.
- Supervised a creative team of photographers and designers, overseeing branding and visual consistency.
- Coordinated reporting tasks and event documentation.

Achievements:

- Established a new visual direction for the brand.
 - Enhanced visibility and alignment across communication channels.
-

Graphic Designer | Beam Reports (Remote)

May 2022 – Present

Context: An independent Sudanese media outlet focused on explanatory journalism.

Tasks:

- Developed creative designs for digital/print platforms, including social media, infographics, and video content.

- Collaborated on editorial visuals and video storytelling.
- Supported content strategy and project implementation.

Achievements:

- Elevated the brand's visual identity and accessibility.
 - Streamlined content delivery for cross-platform audiences.
-

Freelance Photographer/Graphic Designer

May 2022 – Present

Context: Various regional clients in art, music, and editorial fields.

Tasks:

- Created photography and design content tailored to individual or brand needs.
- Edited photos for high-quality outputs across formats.

Achievements:

- Built a personal portfolio featured in regional publications and exhibitions.
-

Co-founder & Creative Director | Under the Sun Collective

August 2023 – Present

Context: A Sudanese artist collective focused on collaboration in exile.

Tasks:

- Managed creative direction and supervised production workflows.

Achievements:

- Fostered regional collaborations and collective exhibitions.
-

Co-founder & Creative Director | spaceSd

August 2020 – Present

Context: A platform supporting emerging musicians and visual artists in Sudan.

Tasks:

- Connected artists and managed project workflows.
- Created branding and visual materials.
- Drafted bilingual communications.

Achievements:

- Successfully launched collaborative campaigns between visual and musical artists.
-

Graphic Designer, Social Media Manager & In-house Photographer | Madameek News

January 2020 – August 2020

Context: A Khartoum-based independent news platform.

Tasks:

- Managed the visual brand and social platforms.
- Covered events photographically and maintained content strategy.

Achievements:

- Delivered timely visuals during key political events in Sudan.
-

Event Organizer, PR & IT Support | El Gineid Cultural Center, Khartoum College of Applied Studies

February 2017 – February 2018

Context: A student-run cultural hub supporting the arts and civil discourse.

Tasks:

- Organized cultural events and maintained digital systems.

Achievements:

- Supported diverse art and education initiatives on campus.
-
